#### GROUND COVER PROTECTION

Hole Products offers a complete line of AlturnaMATS® rugged ground cover protection mats, outrigger pads, and accessories.

Ground cover protection mats protect lawns and landscaped areas from damage caused by heavy vehicles and foot traffic and make getting stuck next to impossible. Mats are great for creating temporary roadways, walkways, and drilling platforms.

Outrigger Pads are lightweight and heavy duty and will not splinter, warp, or bend.

All ground cover protection products are available in a variety of sizes and styles to fit your specific application.

Please contact your Hole Products representative for additional details and ordering assistance.

Products listed in the catalog are representative of the most common industry sizes and styles. Please contact your Hole Products representative for additional product offerings.

#### **ALTURNAMATS®**

These rugged mats are virtually indestructible. They are made of 1/2" thick recycled polyethylene able to withstand vehicles weighing up to 60 tons.

- Easily supports 60 ton loads
- Rugged 1/2" thick recycled polyethylene
- · Bold cleat design for great traction
- Build a roadway or working platform in minutes
- · Leave turf smooth, even in soft conditions
- · No more splintered, warped, water logged plywood
- · Simply hosing down leaves the mats clean
- · Available in both black or white mats
- Mats can be locked together with Turn-A-Links forming a continuous roadway or workable platform
- Limited Lifetime Warranty

CLEATED BOTH SIDES		
PART #	DESCRIPTION

#### **VERSAMATS®**

VersaMATS® offer a flat, slip-resistant tread which permits pedestrians to walk safely on the mats, yet they are as rugged as the original AlturnaMATS®. The reverse side has the same diamond plate tread as AlturnaMATs®, providing great traction for vehicles.

VersaMATS® are also available in white, making them ideal for safe use on walkways even in darkened conditions. They are also available smooth on one side.

- Leaves turf smooth, even in soft soil conditions
- Tough 1/2" thick recycled polyethylene
- Withstands 60 ton loads
- Available in both black or white mats
- Available in cleated, smooth, and smooth on one side
- Build a temporary roadway or walkway in minutes
- Lock together with Turn-A-Links or EZ links
- Limited Lifetime Warranty

3900041	3' X 8' - BLK		
3900155	4' X 8' - BLK		

### **OUTRIGGER PADS**

Outrigger pads provide a stable and safe platform to prevent sinking or slipping into the ground. Pads are can be used to stabilize outrigger legs, used on aerial equipment, mobile cranes, concrete pumps, and more.

- Safety textured
- No delamination
- Safety orange rope handles
- Lightweight
- No splinters
- Recovery memory
- No warping after bending

OUTRIGGER PADS			
PART #	SIZE (W X L X H)*	LOAD CAPACITY	
PARI#		VERTICAL	45° ANGLE
3900160	15" X 15" X 1"	45,000 lbs.	20,000 lbs.
3900042	18" X 18" X 1"	55,000 lbs.	30,000 lbs.
3900025	24" X 24" X 1"	60,000 lbs.	35,000 lbs.
3900030	24" X 24" X 2"	62,000 lbs.	40,000 lbs.

<sup>\*</sup>Additional sizes are available.
